Governor's Energy Office Weatherization Application

LEGAL RESIDENCY AFFIDAVIT

I, _____, swear or affirm under penalty of perjury under the laws of the State of Colorado that (check one):

___ I am a United States citizen, or

___ I am a Permanent Resident of the United States, or

___ I am lawfully present in the United States pursuant to Federal law.

I understand that this sworn statement is required by law because I have applied for a public benefit. I understand that state law requires me to provide proof that I am lawfully present in the United States prior to receipt of this public benefit. I further acknowledge that making a false, fictitious, or fraudulent statement or representation in this sworn affidavit is punishable under the criminal laws of Colorado as perjury in the second degree under Colorado Revised Statute 18-8-503 and it shall constitute a separate criminal offense each time a public benefit is fraudulently received.

Signature

Date

Applicant MUST send with application a copy of current picture identification. Acceptable forms of identification include:

- A valid Colorado driver's license or a valid Colorado identification card
- A valid United States military card/Common Access Card
- A valid United States passport

Governor's Energy Office Weatherization Application

PLEASE READ THIS SECTION CAREFULLY:

My signature below authorizes Colorado weatherization Staff and Crew to enter my home as needed to perform weatherization and furnace work. My signature verifies this residence is not currently for sale, nor is it designated for acquisition or clearance (foreclosure) by federal, state or local programs. Upon completion of work, I give permission for the contractor, sub-contractor staff, local, state, and federal officials to inspect said work. I understand the warranty is one (1) year of workmanship with materials being covered by manufacturers' warranties only. My signature below authorizes the Governor's Energy Office (GEO) Weatherization Program and its designees to inspect heating, fuel usage and utility billing records for up to 5 years before and after completion of weatherization work and authorize pertinent utility and fuel companies to make such records available to them solely for obtaining data for evaluation of subsequent energy conservation effectiveness. I agree, on behalf and for all who stand in my stead, that the GEO, its sub grantees and weatherization crews will not be held liable for any injury or expense incurred by me while participating in this program. I attest to the best of my knowledge that the information on this form is correct and complete. This service is free of charge but if my home is served due to incomplete or incorrect information that would otherwise make my household ineligible, I accept responsibility for paying for services received. I authorize the release of income and benefits information to the GEO Weatherization Program to document my eligibility. Pursuant to 5 U.S.C. 552(b)(6), of the Freedom of Information Act, the GEO Wx program is required to keep confidential any specifically identifying information related to an individual's eligibility application for weatherization services, or the individual's participation in weatherization services, such as name, address, or income information. The State of Colorado in conjunction with the GEO may, however, release information about recipients in the aggregate in a manner which does not identify specific individuals.

My signature below indicates that I have read, understood and agree to the conditions of this application.

Applicant Signature _____ Date _____

CLIENT APPEALS PROCESS:

Once you have completed the application for services, you have the right for your application to be processed within 30 days. If your application is not processed within 30 days or if you are denied services, you may appeal the decision using the following appeals procedure: You may appeal to the Program Manager or Executive Director of the local weatherization agency. The Program Manager or Executive Director will issue a decision in a written letter within 15 days receipt of the notice of appeal. If the Program Manager or Executive Director denies services and you still are in disagreement, you have 15 days after receiving the written notification by the Program Manager or Executive Director to appeal to the Governors Energy Office Weatherization Program. Appeals to the GEO should be in writing and addressed to: Governors Energy Office Weatherization Program, 1580 Logan St. #100, Denver, CO 80203. The GEO will have 15 days to respond in writing to all appeals and the decision will be considered final.

How did you hear about the GEO Weatherization Program? (Check all that apply)

Governor's Energy Office Weatherization Application

Governor's Energy Office Weatherization Permission Form

To the **LANDLORD** or **PROPERTY MANAGER** of the rental property listed below:

Your tenant is applying for free weatherization services provided by the Governor's Energy Office Weatherization Program. Please complete this permission form for our records. Our files are confidential; your name will not be given out. An energy audit will be done and there is no cost to you for the approved energy conservation materials or installation. If an unsafe condition is found with the heating system or water heater by our technicians, options for repairs or replacements will be discussed prior to any further work on the residence. If significant safety problems are found, the owner will be asked to participate in the cost of repairs or replacements. The Colorado weatherization program has a one year guarantee on all parts and materials installed. The agency may attempt to resolve roof leaks; however, the final and full responsibility for roof leaks rests with the property owner.

If the walls and/or ceiling cavities are found to be in need of insulation, with your permission, the insulator may drill holes in the interior or exterior surfaces in order to fill these cavities with insulation. While all holes will be plugged, patched and prepared for finish similar to the existing finish, it may not be practical to match textures or materials. Painting, texturing and/or wallpapering part or all of the surfaces will not be the responsibility of the Governor's Energy Office or its sub-grantees. There are several different methods that can be used to install insulation in enclosed cavities and it is sometimes necessary to use more than one method. The method(s) used will depend on what type of interior or exterior finish of your home. Methods can be explained to you and portfolios are available for your viewing, request more information below.

- Use any method(s) necessary to install insulation in wall and/or ceiling cavities.
- Call me with more information at _____ Best days & times _____
- Various methods have been presented to me and I decline all methods for wall insulation.
- Various methods have been presented to me and I decline all methods for enclosed ceiling insulation.
- Use the following method(s) to insulate: _____

My signature below verifies that I agree to let Colorado weatherization workers and their designees enter the following address (es) as needed to perform and inspect weatherization work and have access to utility bills, that no residence below is currently for sale, nor is it designated for acquisition or clearance (foreclosure) by a federal, state, or local program and that rents shall not be raised due to the dwelling's increased value due solely to weatherization. If this is a rental property or multiplex, please provide tenant names & addresses.

| Tenant Name(s) | Street Address | Apt/Space | City |
|----------------|----------------|-----------|-------|
| _____ | _____ | # _____ | _____ |
| _____ | _____ | # _____ | _____ |
| _____ | _____ | # _____ | _____ |

What year was this structure built? _____

Do you as the landlord own the refrigerator? Yes No

Signature of Landlord or Property Manager **Phone** **Date**

Printed Name **Address**

I decline all weatherization work for the address (es) listed above:
